Evening activities range from talent shows and cabaret where students can demonstrate their creativity, to quizzes and games which require students to use their teamwork and problem-solving skills.

Students can also choose to participate in sports which will often be available, using the indoor sports facilities or swimming pool.

7. Visas

Some students require a student Visa or tourist Visa. Students should contact their local embassy, Consulate or High Commission for additional information and entry requirements to their country of choice. Arranging the correct Visa is the sole responsibility of the student or agent. No visa support documentation will be provided until all fees have been received.

8. Accident & Medical Insurance

Any medical costs (including transportation and prescription medication) are the responsibility of the individual. It is a condition of making a booking with Embassy that all students have appropriate medical insurance. Each student may be required to provide proof of suitable medical insurance (in English) prior to or upon arrival at the centre. Students can opt to take our own StudyCare insurance which is tailored to the needs of international students. Coverage under the StudyCare insurance policy does not commence until the insurance fees have been paid in full. The StudyCare insurance fee is non-refundable. Full details of what StudyCare Insurance includes can be found on our website.

9. Liability

Embassy and its staff and representatives will not be liable for loss, damage or injury to persons or property howsoever caused, except where liability is expressly imposed by law. Embassy will not be liable in the event that any service contracted to be supplied by Embassy becomes impossible to supply for any reason or any cause outside the control of Embassy.

10. Key/damage deposit

On arrival at centre every student must pay a deposit of £30. This deposit will be returned at the end of the student's stay subject to any damages caused or lost keys. Costs of damages in common areas will be charged to relevant groups of students unless an individual accepts responsibility.

11. Student Welfare

Embassy is committed to safeguarding and protecting children in its care from harm. Embassy will apply this policy equally to all children regardless of gender, ethnicity, disability, sexuality or belief. The department expects all staff, agents and external service providers to share this commitment in order to create and maintain a safe and suitable summer school environment. Further details of these requirements can be accessed in the Safeguarding Policy available on our website, embassyacademy.com. By enrolling on the course the parent, guardian or agent of the student authorises Embassy to take appropriate action in the event of a medical Emergency and acknowledges Embassy will not be liable for any costs incurred. Embassy Academy reserves the right to terminate the course of a student if it judges it cannot provide safe and effective care.

12. Our Student Discipline Procedure

Embassy Summer's rules and regulations are available from our website. Embassy Academy's host institutions may also place responsibilities on students. These rules are communicated to all students on arrival. Failure to follow these rules or applicable local laws will result in disciplinary action. Disciplinary action taken will be proportionate to the offence as judged by the Centre Manager and/or Programme Manager. Minor disciplinary sanctions include verbal warnings, detention and removal from activities or excursions. Attendance at lessons, activities and excursions is compulsory for junior students unless otherwise stated and absence without cause will result in disciplinary action. Should a student continue to misbehave, or if a single offence is sufficiently serious, a written warning may be issued. Once a written warning has been issued Embassy will contact the agent or guardian as soon as possible, allowing differences in time zones. Any student who has been issued with a written warning will be made fully aware that any further incidents will result in removal from the centre.

13. Expulsion

Students who have been issued with a written warning and continue to commit offences will be expelled from the centre. Embassy also reserves the right to immediately terminate the programme of any person or group whose behaviour is likely to cause distress, damage or danger to other participants, Embassy employees or other stakeholders. Embassy also reserves the right to immediately terminate the programme of any person or group whose behaviour is contrary to applicable local laws. This behaviour includes but is not limited to: under-age purchase or consumption of alcohol, possession of illegal substances, damage to property, threatening, violent or abusive behaviour. Embassy will not be liable for any costs incurred in this process. No refunds will be made for any programme missed as a result of such termination.

14. Resolution of Disputes

If a student, agent or their representative wishes to complain about any aspect of the services provided by Embassy, such a complaint should be made in writing to the Centre Manager. If not resolved, this should be addressed to the Embassy Head Office. Each complaint will be fully investigated provided that it is received within a month of the course ending, it was initially registered in writing with an on-site representative or Centre Manager and all fees have been paid in full. In the event that the matter is not resolved, the student or group leader or agent should make a complaint in writing to the Embassy Summer head office at: Embassy Summer operations Centre, 1 Billinton Way, Brighton BN1 4LF, United Kingdom.
