ASCEA MARINA

Ascea Marina is a small village well known for its fine sandy wide beaches and its blue sea which earned it the “blue flag” eco-label award. The town is also famous for the ruins of the ancient Greek town of Elea (Velia) dating back to the 6th century B.C and it is considered the cradle of the Eleatic school of philosophy.

CILENTO NATIONAL PARK

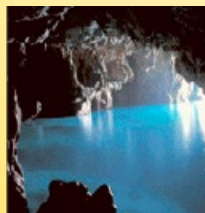

The National Park of Cilento is something you must experience at least once in your life. The Park stretches from the Tyrrhenian coast up to the foot of the Apennines in the regions of Campania and Basilicata. Its astonishing natural and unspoiled landscapes include mountain paths, olive tree hills and golden beaches. This is the ideal place for people who love both mountain and sea.

THE RESORT

The holiday village offers: private beach, accommodation in 4 bed bungalows, a restaurant, entertainment, juniors mini club, WIFI. It provides a very secure environment.
